

BetaColor Densitometers & Spectros LED Technology Advantages

- **Advanced LED Technology for Superior Speed, (1/10 of a Second Measuring), Ease of Use, & Superior Reliability**
- **Red/Green, Pass/Fail “Traffic Lights”**
- **1,000,000 Measurements Per AA Alkaline (2) Battery Set, No Chargers or Recharging necessary**
- **No Recalibration Necessary During Normal Use or Expensive Bulb Replacement**
- **Superior 3-Year Warranty, 7-Year Warranty On LED Illumination**
- **FREE 10-Day Trial (U.S. & Canada)**

Beta Densitometers & Spectro-Densitometers

* Red/Green Flashing Tolerance Traffic Lights

** Process and special colors - spectrodensitometer
